### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicant's representative, Mr. Donald E. Hasse, on 11/29/2005.

The application has been amended as follows:

In claim 1, line 9, following "guide flaps...", the language --projecting from respective side panels--has been inserted in order to define the location of the guide flaps.

The following changes have been made to claims 9 and 11 for the purposes of rejoining the claims for issue:

In claim 9, subsection "a)" has been deleted and replaced with the language -- a) providing a bag having a substantially rectangularly shaped opening at a top portion thereof and first and second handles attached to said bag adjacent to said opening at respective first and second sides of said opening;--.

In claim 9, subsection "b)" has been deleted and replaced with the language:

-- b) providing a bag topper having a bottom panel and four side panels defining a substantially rectangularly shaped opening sized to receive said top portion of said bag and thereby substantially close said opening of said bag in an assembled condition of said bag and topper, said topper having first and second slotted handle openings along at least two sides of said bottom panel defining corresponding first and second elongated guide flaps projecting from respective side panels and adjacent respective said first and second slotted handle openings for receiving respective said first and second handles in said assembled condition; and--.

In claim 9, second line from the bottom, "at least one handle" has been deleted and replaced with the language --first and second handles--.

In claim 11, lines 4-5, the language "so that said top panel is located beneath said front and rear panels and said side panels of said topper-- has been deleted.

In claim 11, line 5, "top" has been deleted and replaced with --bottom--.
